Grafton High School's new principal, Nancy Mrzyglod, grew up in Thompson, Connecticut. One of her foreign language teachers inspired her to pursue a career in education. A foreign language major, she graduated from Anna Maria College in 1974. In 1979 she earned a Masters Degree in Curriculum and Administration from Worcester State College. Her goal is to pursue a doctorate at Boston College.

Ms. Mrzyglod began her career by teaching Spanish and French at Wachusett Regional High School. She also worked as the assistant principal at Oakmont Regional High School and later became principal of Winthrop High School.

Grafton High School welcomes Ms. Mrzyglod and hopes that her tenure here is a long and productive one.

The "Battle" That Almost Never Was: On November 23 I attended the Battle of the Bands, which almost never happened due to the lack of bands. Six signed up. Six. Leave it to Kazzy Zeinemann and Pete LeBlanc to come up with some wacky ideas to fulfill their MC positions. They dressed in each other's clothes. Blue Man Luke started the night off for us. Ian Bedford chanted "Blue Man Luke...We are Blue Man Luke." Just plain silly. Sloppy Joe played, then Maxim. Maxim comprises Brian Warwick, Noel Heroux, and Mitch Leammukda. Even GHS grads came back to play. The winner was the Drum Circle with middle school students Matt Atchue and Seth Magnant, as well as grads Eric Simpson, Max Schwartz and Maarten van der Poll. G

On Thursday May 25th, GHS held its 14th annual Arts Fair. Through the combined efforts of the Art, Science and Technology, Math, Music, and Family and Consumer Science departments, the students presented an exciting show to the public. Many students, parents, teachers, and community guests took this opportunity to support and appreciate the creative talents of the students. A highlight of the evening was a performance by the GHS Jazz Ensemble with Brian Warwick, Mitch Leammukda, Matt Heintz, Phil Jackson, Yukari Nishizono, Pete LeBlanc, Noel Heroux, and Austin Magnant.

Family and Community Leaders

"The truly generous is the truly wise," John Home

Family and Community Leaders, FCL, is an organization open to all students at GHS who want to be involved in their school and community. The goals of this group are to help young people become leaders, support school activities, interact with the community, and learn life skills such as planning, goal setting, problem solving, decision making, and interpersonal communications.

This past year the club was involved in many rewarding activities: face painting at Homecoming, providing food for the homeless, making Easter baskets for needy children, making quilts for babies in local hospitals, co-sponsoring an Easter egg hunt for children, helping put on a school fashion show, helping with Christmas on the Common, and helping at many school functions.

Fools! is set in a Ukranian village which has been cursed with ignorance. Leon Tolchinsky (Tom Blanchard), a young school teacher, has been sent to teach Sophia Zubritsky (Meghan Patrick), who appears to be the key to breaking the curse. However, Leon has only one day to break the curse. When he falls in love with his pupil, problems arise.

Snetsky (Ian Bedford) suspects Leon of stealing his sheep (although rumor has it that Slovitch is selling "mystery meat" this week in her butcher shop!)

Backstage, Nick practices his flying skills.

You have gone from being our "Little Danny Banny" to "Dan the Man." Thank you for giving us all years of enjoyment both on and off the courts. Keep up the good work. Life is good and it only gets better. Love, Mom, Dad, Charlie, and Sue.

LAUREN DOW PARDEE: Cherish your desire to do good in your corner of the world; and whatever else you choose to do, impose upon yourself the task of happiness; and now and then abandon yourself to the joy of laughter. I am very proud of you! God bless you and I love you very much. Mom.

AMIE REICHLE: You were such joy the day you were born. We've watched you grow into such a beautiful young lady. Where have the years gone in between? Always keep your caring and sensitive manner that has made you so special. You have given us many years of happiness and adventure as our daughter and sister. Reach high for your dreams and you will achieve them. Always keep smiling and remember how proud we are of you. We love you and will miss you next year. Remember your patent leather shoes!!!! Keep cheering. Love, Mom, Dad, Jen, and Jackie.

ALISSA ROSE RENAUD: Our wishes for you:
 *Your future be as bright as the sparkle in your eyes
 *Life be as kind to you as you are to all
 *Have many chances to laugh that wonderful laugh
 *Be as proud of yourself as we are of you
 *Remain as beautiful as the flower in your name--Rose
 Love, Dad, Mom, and Eric

KATHY POCIUS: Kathy, what a beautiful young lady you have become. Focus, take your dreams and reach for the stars. We love you and are very proud. Love, Mom, Dad, and Tara.

CHERYL PRICE: What a blessing you are in our lives! We are rich with cherished memories and valuable life lessons. Thanks for giving us so much! Enjoy life ahead with enthusiasm, humor, and love. Whether you dance, teach, or try something else, always trust in God and yourself to find happiness. Love, Mom and Dad.

MONICA LYNN ROWE: It's hard to believe that you're already 18 and about to start another phase of your life. You're a wonderful daughter, Monica--thoughtful and sensitive with strong values and a style that's all your own. We love you very much and pray you will be open to God's leading for your life in the days and years ahead. Love, Mom, Dad, Alex, and Nick.

DANIELLE SENIOR: You're no longer the baby we loved, but now a lovely young lady we love even more. Our dream is your dream and may it be filled with success, happiness, and love. Love our "Dingle." Mom, John, Deven, Felicia, David, Tony, and Nick.

JACLYN ROSS: Jac, your smile, your drive, your determination, and all your hard work are what make you such a special and unique person. We wish you happiness and success in all aspects of your life and the many exciting adventures before you. May your love and spirit be your guide in all your dreams. We are very proud of you.

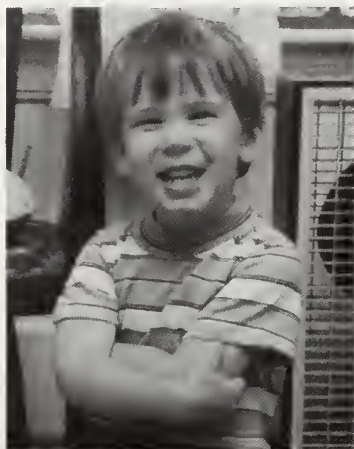

CASSANDRA ROSSETTI: The past eighteen years seemed to fly by. Yesterday you were the curly-haired little girl with a smile always on your face. Today you are a beautiful, intelligent young woman with that smile. You have always set your goals high and achieved them as you always will. We love you and are so very proud of you. Dad, Mom, Chrissy, Cindy, and Richie.

MICHAEL THORNE: Mike, it's hard to believe this time has come. You have grown into a fine young man who makes his family proud. You have always been a kind and caring person. Work hard and you will be successful in all you do. Most of all, we wish you love and joy in your life. God bless. Love, Mom, Kaley, and your family.

JULIE TRAPASSO: Dad and I decided to borrow this message from Grampy. I wrote this letter to your mother at her graduation. It doesn't seem like thirteen years ago your Mum gave you your first pencil box like this one. As time flew we both have tried our very best to show you what the things in your pencil box really stand for. The ruler stands for the straight line a life should be to get to happiness. The pencil tells us that we should always talk and act the truth about ourselves, but the eraser reminds us that we are human and can make mistakes and still go on with life. The protractor is half a circle or half the world, and we will be that way ourselves unless we make and keep good friends. And lastly, the crayons or colored pencils show us that life can be bright and beautiful if we want to pick up the right crayon. Good Luck, Julie. We love you, Dad and Mum.

LORI SHANKS: Congratulations on your great work in high school. We are proud of the young adult you have become. Pursue your dreams and live life to the fullest. As you walk down an unfamiliar street, feel confident with your face slanted upward. Best of luck in your new pursuits. Go Touda. Love, Mom, Dad, and Emily.

COURTNEY SULLIVAN: When you were a baby, Dad and I would ask you, "How big are you going to grow?" You'd reach up into the air and we'd say, "So Big." These 18 years have passed so quickly. You've grown into a beautiful, caring young woman. We've seen you accomplish so much already, at school, at church, in places you felt you were needed, and in places you hoped to make a difference. We are very proud of you. We wish you success in all you do, strong faith, and our love to carry with you. Love, Mom, Dad, Caity, Colleen, and Pat.

BRIAN M. WARWICK: You've taken a big step forward on the journey of life, and you'll take many more. We're proud of you, and we love you. Love, Dad and Mom.

HEATHER WHITE: You are still the same happy, fun-loving, adventurous "Feath" you were as a child, but now you're a beautiful young woman who knows what she wants. We are proud of the person you are, dedicated to your goals and values, and devoted to your family and friends. These qualities, with your sense of humor, will help you successfully fulfill your dreams. We love you "more." Mom and Dad.

CHRISTINA TRUITT: LA or Bust! You've made it to the end of your rainbow--your pot of gold awaits. We've shared so much happiness watching you grow. Now we must take a step back and watch from afar. You'll always hold a special place in our hearts. Your independence and fierce determination will allow you to surpass your goals and guide you to a happy, healthy future. Remember a parent's love is neverending. Follow your heart, live life to the fullest. Live--Laugh--Love! Mom, Dad, S.B., and the Menagerie.

ANDREA WALSHAW: Where had the time gone!!! Your beautiful voice and outstanding acting have made us so proud of you. . .keep smiling. . .always reach high to achieve your dreams. . .good luck. . .we love you, Mom, Dad, Jared, and Brett. . .

JIM WILSON: So many cherished memories! Congratulations on who you are and what you have accomplished. Believe in yourself and always know--we're there for you. We're so proud to call you "ours." Keep smiling! Love you--Dad, Mom, and Jeff.

MELISSA WOEHR: You have always been a great joy to us. Your unique way of viewing the world has allowed us to see things more clearly. Your love of music and your appreciation of beauty have brought happiness to our home. Your strong sense of fair play has demanded our honesty. Now you are ready for your next great adventure. We know that you will succeed and enjoy the journey. Love, Mom and Dad.

STEPHEN PIZZIMENTI: You have given us so much pride and joy. Your unique and special qualities have proven you to be a fine and outstanding individual. Be proud of all your accomplishments and those still to come. Remember there is no limit to the goals you can attain or the success you can achieve--your possibilities are as endless as your dreams. Reach for the stars--for you truly deserve to see all your dreams come true. Love, Mom, Dad, Mike, Laura, and Grandma.

KEVIN PAUL WILSON: May the good Lord be with u down every road u choose. May sunshine and happiness surround u when you're far from home. May good fortune be with u--may your guiding light be strong. May u grow to be broud, dignified, and true--do unto others as u'd have done to you. Whatever road u choose, I'm right behind u--win or lose. Love, Dad.

ERIC ZOHOON: You have always been confident, creative, happy and successful. You have filled our lives with love and pride. We hope that life holds a great future for you. We love you and will always be there for you. We know that you will always rise again if you fall, so don't let anyone stop you in life. With love always, Mom and Dad.

ALISSA RENAUD AND KIM WILSON

JENNIFER WRIGHT: Jen, you're so beautiful and you work so hard, so make sure you're having fun in Texas. We're very, very proud of you and we love you! Jon, Katie, Mom, and Dad.

KAZZY ZEINEMANN: If I was a spider princess, she said, I would spin webs the color of sky and catch drops of sunlight to give to children who watch too much TV and then everyone would remember to come outside to play. If I was a spider princess, she said, things would be different. Love, Mom, Dad, and Mike.
